

Driving for a living shouldn't mean risking your life. Weather may be out of your control, but not the quality of your brake linings. Formulated with NeoKinetic Friction Technology,[™] these aren't just brake shoes. They're breakthroughs: Non-asbestos brakes that best replicate superior asbestos ones long gone. We reached our goal, and now only want you to reach yours.

**IT'S NOT WHERE YOU'RE GOING.
IT'S WHERE YOU'RE STOPPING.**

Driving for a living shouldn't mean risking your life. Weather may be out of your control, but not the quality of your brake linings. Formulated with NeoKinetic Friction Technology,[™] these aren't just brake shoes. They're breakthroughs: Non-asbestos brakes that best replicate superior asbestos ones long gone. We reached our objective, and want you to reach yours.
