

NEW CORE PROGRAM

MARCH SPECIAL

ORDER NEW CORES NOW THRU MARCH,
AND WE'LL UPGRADE YOU TO THE **WORLD'S FIRST**
CAST SHOE AS LIGHT AS PRESSED-STEEL.

- High-carbon, ductile cast iron
- No table flex, web stretch, broken welds
- Sustains maximum torque power for life
- Resists rust 2-3x longer than coated shoes
- Dissipates heat superior to pressed-steel
- 2-3x longer service life than pressed-steel
- Engages brakes with up to half the air pressure
- Improves stopping distances without gimmicks
- Outlasts average lifecycle of new truck or trailer
- Exceeds SAE J434 D4512 standard
